

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 222 – SB 272

February 19, 2017

SUMMARY OF BILL: Requires the Department of Safety (DOS) to print and prominently display the language "NON U.S. CITIZEN" or "ALIEN" on driver licenses, permits, or other forms of identification issued or renewed for a temporary period to persons who are not United States citizens and not lawful permanent residents of the United States.

ESTIMATED FISCAL IMPACT:

Other Fiscal Impact – To the extent redesign of the driver license card can be accomplished with one of two available allowances permitted by the current third party vendor contract, any impact would be not significant. Otherwise, redesign of the card will result in a one-time state expenditure estimated to be \$100,000.

Assumptions:

- Based on information provided by the Department of Safety (DOS), and confirmed by the third party contract vendor responsible for the driver license card system, it is estimated the cost would be a one-time state expenditure of \$100,000 to redesign the driver license card to effectuate the provisions of this bill.
- The contract with the third party vendor contains a provision that allows up to two card changes per year at no additional charge.
- The provisions of the bill make no changes to current fees or fee requirements for conditional licenses.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
